Learn2ride operate all year round in the magnificent surroundings of Poole Harbour in Dorset. Protected from the sea by the Sandbanks Peninsular, Learn2ride teach in a warm, shallow, sandy bay in wave free water. This protected bay also offers near perfect wind conditions making it ideal for those new to kite surfing. For the more experienced, across the Peninsular awaits the fabulous Poole Bay one of the country's top open water kite surfing venues.

Learn2ride's ethos is to focus on the needs of the individual, encouraging students to develop at their own pace. Some may be up and riding quicker than others, but everyone will leave Learn2ride with the knowledge to become a competent and safe kite surfer.

Learn2ride offer one, two and three day kite surfing course for beginners through to coaching for advanced riders. With numbers limited to four people per course we aim to create a friendly, relaxed atmosphere, in which to Learn2ride.

Learn2ride provide all top quality equipment including boards, kites, wetsuits, helmets and harnesses. You just bring suitable footwear, trainers or wet boots.

## TUITION

### HALF DAY, LAND BASED TASTER £45

Half day courses are a great way to ease yourself into the world of kite flying before tackling the more challenging aspects of board riding. At end of this short course you will be able to launch and land kites safely, to find and use the wind window and most importantly have fun flying kites.

- Introduction to equipment (Kites, bars & harnesses)
- Launch and Land Kites
- Steering
- Theory Session
- Safety (site assessment)
- Wind & weather
- Flying time

### ONE DAY COURSE, £95

Introduction to Kite surfing. The morning is spent on land focusing on theory, safety and learning to fly kites. By midday you should have good control of the kite and a better understanding of wind and weather. The afternoon session will take place on the water learning to harness the full power of the kite, body dragging, re-launching and board starts all in the safety of a shallow sandy bay. By the end of the day you should be a competent kite flyer and possibly even be riding along on a board.

### TWO DAY COURSE, £180

The two day course starts with the day one programme (as above) but the second day is completely water based, focusing on board skills and riding.

### THREE DAY COURSE, £250

The three day course is a great way to fast track into the world of kite surfing. It follows the same structure as the one and two day course and will progress towards fully controlled riding. We will aim to make you an independent kite surfer with the confidence to set up your own equipment, launch independently, and ride confidently and safely in all wind conditions. We will also guide you into purchasing your own kit suited to your needs.

### 1:1 TUITION, £20 PER HOUR

Tuition that centers around you and only you. A fantastic way to learn the sport at a pace that is tailored to you. 1:1 Tuition is particularly well suited to those who have already had some tuition and want to push their skills further.
